CES Incoming Kindergarten Story Time

Colchester Elementary School will host the “Kindergarten Story Time” program for 4 and 5 year-old Colchester children who will be entering kindergarten during the 2022-2023 school year. During each of the three sessions, children will listen to books read by kindergarten teachers while parents learn about the registration process, the kindergarten curriculum, readiness expectations, the school day, school policies and transportation. A question and answer period will be available at each session. The children’s program will be held each month from 11:25-11:55 in the CES Media Center. Parents and children are invited to attend multiple story times. Topics for parent information change each month. No pre-registration is required. The “Kindergarten Story Time” schedule is as follows: April 12th, April 26th, and May 10th. We look forward to meeting each of you and having your children join us at CES.
