Press Release For Immediate Release

Colchester Public Schools - Representative Joe Courtney Visits Colchester Elementary School

Representative Joe Courtney recently visited Colchester Elementary School regarding the new support for special education programming being offered to local K-12 public schools in eastern CT under the American Rescue Plan. Colchester schools will receive nearly \$100,000. During his visit, Representative Courtney met with CES Principal Judy O'Meara, Assistant Principal Meghan Amado, Director of Teaching and Learning Charles E. Hewes, and Director of Pupil Services & Special Education Kathleen Perry to discuss the response to the pandemic at the elementary and district level and use of federal funds as part of that response.
